

COMMUNITY HEALTH SERVICES NEWSLETTER

May/June 2019

Upcoming Events

May 6
Monday
Free STD Testing
10am ~ 1pm

May is AAPI HIV Awareness Month. Take part by getting tested! Stop by at our Manhattan Community Center, there will be Starbucks gift cards for the first 5 participants.

We host free testings on every first Monday of the Month.

June 3
Monday
Free STD Testing
10am ~ 1pm

Take pride in knowing your status! Get tested in Pride Month at our Manhattan Community Center. The first 5 proud participants will get a Starbucks gift card.

We host free testings on every first Monday of the Month.

June 27
Thursday
National HIV Testing Day

The Manhattan Community Center will open late to host our semiannual evening testing on National HIV Testing day!

We encourage everyone to get tested at least once a year! This is a great opportunity for those who can't make our regular monthly testing days during work hours.

For this special event, we are giving away Starbucks gift cards to the first 15 people who come get tested. We are located at 165 Eldridge St, New York NY 10002 and our testing hours are from 5:30 to 8:30.

The AAPI HIV Awareness Day + AIDS Walk

by Gilbert Wu

May 19th is the Asian American & Pacific Islander HIV and AIDS Awareness Day. We spend this time to commemorate those we've lost to HIV and to support those who are fighting the disease. Additionally, we will be supporting the day by hosting a youth workshop to discuss the stigma about HIV/AIDS in the AAPI community and joining the AIDS Walk on May 19th in Central Park!

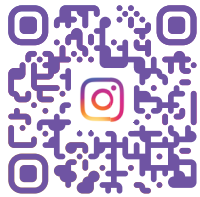

Sugary Drinks Awareness Campaign Launches May 1

by Frances Huang

Community Health Services (CHS) and our Youth Leadership Committee are set to launch our social media campaign about sugary drinks on May 1! The Youth Leadership Committee has been meeting weekly to create engaging posts, and will also host workshops in the community about sugary drink impacts. Tentatively, posts include interactive images that depict sugary drinks' harmful health effects, an ASMR (Autonomous Sensory Meridian Response) video highlighting plastic waste associated with bubble tea, and much more! Please follow along with us as we embark on this journey to learn about sugary drinks, its marketing, and its impact on our health and the environment! We will have fun giveaway events for followers, as well as a press conference that will feature a live giveaway event!
